

Communication and Language

We will be sharing information about ourselves and our families. We will be asking questions to get to know our new friends. We will learn to listen attentively during carpet times.

Physical development

We will be experimenting with different ways of moving and learning to travel with confidence and skill. We will be using a range of malleable material in our play to improve our fine motor skills.

What are we doing this half term in EYFS?

Mathematics

We will gain a secure understanding of the number system, learning numerals and secure 1-1 counting to 10 and beyond. We will learn to estimate and check how accurate we have been. We will learn the names of simple 2D shapes and begin to learn about 3d shapes.

Understanding of the world

Through our topic "Ourselves" we will be learning about ourselves and our families. We will be recognising similarities and differences between ourselves and our friends.

Literacy

In phonics we will be beginning to learn new sounds from phase 2. In writing we will be practising writing our name and forming letters correctly. We will be sharing books about ourselves and family.

Expressive arts and design

We will produce work that reflects our family life, customs, and experiences. We will be learning a repertoire of songs and nursery rhymes. We will be exploring colour and how they can be changed. We will use our imagination in our role-play area.

Personal, social and emotional development

We will be learning about the value of friendship and how to be a good friend. We will be learning to share and to take account of others' feelings. We will create class rules and learn the routines of the day.

EYFS – AUTUMN 1 2019-2020
