

# FREE BREAKFAST

Breakfast is the most important meal of the day and gets children ready to learn. We have been successful in gaining funding to provide free breakfast for pupils across KS1 and KS2. This would include toast/crumpets and a drink. To be able to do this we are looking for any parents who would be able to give 1 or 2 mornings a week making the toast for the children. This would mean being in school for 8.30am.

We would look at getting a rota to cover Mon - Fri.

If you can give this time we would be very grateful. Please let Mrs Burtoft know as soon as possible either by the slip below or in person. We are **hoping** to start the breakfasts from 10<sup>th</sup> October.

## PACKED LUNCH OPTION

We are looking at the possibility of offering a packed lunch option as part of school dinners. To be able to do this children would need to order them in advance and would not be able to choose it as an option on the day.

A packed lunch would typically contain: a sandwich, cake or biscuit, fruit, a yoghurt and a drink.

To help us see if this is a feasible option please complete and return the slip below if you would be interested.
