PARENT MEETINGS ABOUT ACADEMY STATUS

You will all have received the documents about the possible formation of a Multi Academy Trust with 5 other local schools. I appreciate that there is a lot of information within the document and as such will be holding parent sessions to discuss the proposal. It is important you have a full understanding of what it will mean for West Street.

These will be next **Tuesday 14th March** at the following times:

9.15am - 10.15am

2pm - 3pm

4pm - 5pm

Please come along to any of these. If you are unable to make the times above you can see me at a time that suits you or email me on:

head@weststreet.lancs.sch.uk

The letter you received has a feedback form for you to put your views on. I would urge you to complete this and hand it in to the office where a collection box is located. These need to be returned **by 27th March**.

Our Governing Body will not make a final decision until they have collected all feedback and relevant information. They very much value your opinion and want to know what you think. Their final decision will be made based on the best provision for the pupils of West Street.

Parent Governor

You will also be receiving this week information about two vacancies for Parent Governors. This is an exciting time to be directly involved in the future of our school. Should you be interested in becoming a governor but would like further information please come and ask.
