

Dear Year 6 Parents,

I have just been informed of a positive Covid-19 test within your child's bubble (Year 6) following contact last Friday.

This means that Year 6 will need to self-isolate from today Wednesday 21st July until Monday 26th July whilst the children and staff in this bubble self-isolate. Tuesday 27th July will be the first day out of self-isolation.

Other family members within the household do not need to self-isolate **UNLESS** anybody they live with displays symptoms or has a positive test result.

To book a test, visit www.gov.uk/get-coronavirus-test or call 119.

Stay safe and take care,

Sarah Watson (Headteacher)
