IMPORTANT COVID-19 UPDATE

For the first 6 days after attending a school, when a child or staff member tests positive for coronavirus (COVID-19) because they have developed symptoms within 48 hours of being in school, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in the school or setting.

This means that we need your help! It is important that parents or staff contact us at covid@weststreet.lancs.sch.uk between TODAY and THURSDAY 24th DECEMBER. Then either Miss. Watson or Mrs. Duerden will be responsible for informing close contacts of the positive case about the need to self-isolate and notifying the Local Authority

For further clarity on the requirement for 6 days this is due to the time lag that there may be between a person displaying symptoms and receiving a positive test outcome.

Here is an example:

- Child develops symptoms on Saturday before 4pm and having last in a setting on Thursday before at 4pm (so within the 48 hour contact period)
- The parent applies for a test which arrives e.g. the following Monday
- Child receives positive test result on Wednesday and informs the school

Only when the child displaying symptoms did so within 48 hours of last being in school should they be contacting the school. When symptoms start outside this 48 hour period that they were last school then this is for NHS Test and Trace to administer.
