This week's update

Well done to the children and parents in Year 3 and Year 5 who are self-isolating.

Mrs. Duerden is very impressed with your home learning, particularly your presentations about the solar system – very creative and well thought out.

Mr. Filder would like to thank those children who have emailed him photographs of their home learning – well done, especially with your maths! Mr. Filder would love to see photos from even more children next week.

Both Year 3 and Year 5 children are continuing to receive dojos for their home learning and Learner of the Week awards in the same way as they do at school.

Well done to all the other children and staff in school who are doing a great job of focusing on their learning while dealing with the changes this week.

There are now five positive covid-19 cases connected to school: four cases in the Y5 bubble – two pupils and two staff and one case in the Y3 bubble – one pupil. All these pupils and staff are fine.

The home page on the school website www.west-street.org contains information for Year 3 and Year 5 parents about self-isolation and information for the parents of all other year groups who are not self-isolating at the moment.

Thank you so much for your on-going communication and support – this is very much appreciated as it keeps us informed and therefore able to make the best decisions for the children in our care.

Achieving GOLD!

Next week we will be announcing our first **GOLD WINNERS**.

When children achieve **GOLD**, they receive a special certificate and have their photograph taken proudly holding this.

Photographs of the **GOLD WINNERS** will be put in to the **BOOK OF GOLD LEARNERS** kept in each building.

A copy of this photograph will be emailed home to share with parents.

Watch out for the **GOLD WINNER** texts!
