NEW CLASSES FOR SEPTEMBER

This is the organisation of new classes for September 2021. At least one Teaching Assistant is moving on to the next class with the children they currently work with. This is to make sure that there is an adult who already knows the class well and works with them as they move on through the school.

Miss. Milner is pregnant – she plans to be working in school during the first half-term in September & October before she starts her maternity leave. We are currently recruiting a new teacher to work with Year 1/current Reception class. They will be appointed by the end of June then they will be able to come and meet the class they will be teaching in July. They will be working with the children for the whole of next academic year from September to July.

We are also recruiting a new Teaching Assistant to work with the new Reception children.

All children from the new Reception children to the current Year 5 will have three transition afternoons to meet and get to know the staff they will be working with.

These will take place during Wednesday afternoons on 9th, 16th and 23rd June.

Parent Governor Election

I have received one nomination for the Parent Governor vacancy from Caroline Hargadon. Caroline now automatically takes the Parent Governor vacancy therefore there is no need for an election. Congratulations Caroline!

Be Responsible

On Tuesday two local police officers visited Year 5 to do the same discussion as they did with Year 6 before half-term.

They talked with the children about:

- **what anti-social behaviour is**
- **different types of bullying and the impact bullying has**
- **the age of criminal responsibility**

The key messages were:

- **take responsibility for your own choices**
- **when you make a bad choice be prepared to accept the consequences**
- **treat others with the respect you want them to show you**
