14<sup>th</sup> September 2018

Please find below details of a few things that have, or are, happening. Just to remind parents to have a look at our website and to link to our Facebook page as you will then be notified of any blogs or special information coming through.

## New Topic

Last Friday our new topic was launched with a surprise visit from two members of the British Legion. They set us the task of researching different aspects of WW1 and producing a display and a piece of art work that will be displayed in the British Legion and then the Town Hall. This will lead to the centenary of the ending of WW1.

Yesterday Classes 4/5/6/7 were visited by a soldier and a nurse giving them lots of information about the roles during WW1. Have a look at the website for photos and the blog.

**Congratulations to our Y6 pupils** who have recently applied for a number of special jobs in school. The application letters were of a high standard and it was difficult to choose who to appoint but well done to those who were successful.

Please see the blog coming to the website for more and the display of letters.
