Little Lantern Walk

I would like to apologise to India in Nursery as I incorrectly stated that she had raised £177 when in fact she had raised over £200!!
WELL DONE India.

Here we are at the end of our first half term. Well done to the children for working so hard and I hope Parent Evening meetings gave some glowing reports. Thank you to everyone who contributed to our Harvest collection. Year 6 delivered the food to Open Door where it can be given to local people in need.
