6<sup>th</sup> September 2019

We have a special visitor on Monday for classes 4-9. They will be taking photographs for their website. If anyone does NOT want their child to have photographs taken please let their teacher know.

Welcome back and I hope everyone has had a lovely break and managed to enjoy the sunshine we did get for a while.

It has been great to see all the children return looking so smart and ready to go. It has been particularly nice to welcome all our new children in reception and those who have joined year groups across the school. I know we are in for another successful and exciting school year.

Before the holidays I mentioned a questionnaire for parents about our curriculum which we are currently reviewing. This can be completed on our school website but I have attached a paper copy. It would be VERY helpful if you could complete and return it. There will be a meeting for parents to discuss this on Wed 16<sup>th</sup> Oct 9.15am

Please find below some information and reminders for the coming term.

## UNIFORM

Wearing full uniform, including school shoes and PE kit, is part of the children achieving All Green. It is also our belief that it helps them to work well: look smart- be smart!

We have ordered more jumpers/cardigans but also sell PE kit, book bags, PE bags, hats and fleeces. These are all good quality and we sell them at cost price.

If anyone is struggling with uniform please come and ask.

## RECEPTION 2020

## HIGH SCHOOL 2020

ALL parents with children starting Reception or high school in Sept 2020 **MUST** apply online. Children attending our nursery **DO NOT** automatically get a place at West Street.

We had some disappointed parents last year who were not given West Street or their chosen high school so I would urge parents to apply as soon as you know which school you want.

**Closing date high school application: 31<sup>st</sup> October**

**Closing date reception application: 15<sup>th</sup> January**

**If anyone requires help for this please come and ask.**
