We are collecting
ALDI stickers.

4th October 2019

BEST class attendance this week:

Class 5 95.8% Class 6 97.7% Class 4 97.8 %
Class 9 98.4%

A wet and windy end to the week. I have seen some great work from across the school this week and had some very interesting discussions with some of the children. These have included the rainforest and deforestation as well as our new history timeline which Heather is skilfully painting for us in KS2. I was also asked a question one morning by one of the pupils, Layton; "Why don't we feel the Earth spin?" An interesting question which we have now posed to the whole school – pupils and staff! We have decided to introduce a **Question of the Week** and invite children, staff and parents to suggest ones. These will be given in Monday's assembly.

PARENT VIEW

We are always looking for feedback from parents to support our school development. The results of our latest questionnaire about the curriculum are very interesting and helpful and will be discussed at a meeting for parents on 15th October at 9.30am.

It is also helpful if parents complete **PARENT VIEW**. This can be accessed on our web site at the bottom of the home page or by searching for Parent View.

We are expecting a return visit from OFSTED and it would be great for them to see your feedback on Parent View where they will look before coming.

If you could do this ASAP that would be great and if you need support with this please come and ask.

Cancer Research's Little Lantern Walk Friday 11th October 6pm

This is a lovely event to raise money for a great cause. The packs are available from the school office. Any children taking part will get to make their own lantern in school next Tuesday. **An adult MUST accompany all children for the full walk.**

Up and coming dates:

Tuesday 8th October School Photographs
Friday 11th October 6pm Little Lantern Walk
Tuesday 15th October 9.15am Parents' Meeting – Our School Curriculum
Tuesday 15th October Parent Evening
Wednesday 16th October OPEN DAY for reception 2020
Friday 18th October Funky Friday
Friday 18th October Term Ends 3pm
