We have reached the end of our first half term which has gone in a blur! It has been a busy and successful 6 weeks with lots of things going on in school and out of school. Well done to all the children and families who took part in the Little Lantern Walk for Cancer Research. Any sponsor money can be brought into school and we will pass it on. Well done also to our football team who have had a good start to the season winning the tournament, the penalty shoot out and being top of their league!

Thank you to all parents who attended their child's parent meeting. It is extremely helpful for teachers to be able to speak with you about progress and any support you can give at home. You will have received your child's traffic lights for attendance. Please note the % for amber and red have changed to be in line with the national average of 96.2%. Amber is now any % between 90 and 94.9% and red is anything below 90%.

Attendance at school is a key factor to your child making maximum progress in ALL year groups and if there is any way we can support you with this please come and ask.

We are still collecting ALDI vouchers for a chance to win £20,000!
