Friday 8<sup>th</sup> November 2019

A dry day to end a very wet week. Class 9 have visited the cemetery today to place wreaths on the graves of local people who were part of the wars. They have also put a display of poppies on the front fence as a mark of respect. On **Monday 10.30am** we will be remembering all those involved and affected by war in our **Remembrance Assembly**. We will be joined by war veterans Jim and Eddie.

**Please join us for this.**

Next week is also our **Friendship Week**. This is our way of participating in the national anti bullying week. This year the theme is "change starts with us." During this time children will be working on different aspects of keeping themselves safe as well as taking responsibility for their own actions.

**Bring a Friend to Lunch** is part of this. If you wish to join your child for lunch please book it at the school office. Places are going fast!

**CHILDREN IN NEED** ends the week. This year as part of our work on identity and diversity we would like to make a giant rainbow to represent the importance of being different. Each class will be given a colour to come dressed in; see below. Hair can be included but not for any children swimming please.
