22<sup>nd</sup> November 2019

We have had a great end to our week with two sets of special visitors to assembly. **Rotarians from Burnley & Pendleside Rotary Club, Robert Walsh, Paul Roberts and Peter Sparks** came to present us with a brand new football kit complete with our school name and logo. Members of the football club modelled it and it looks fabulous! We also welcomed **Sharon Ashley from Pendle Dogs Trust** with two dogs to receive a cheque from Class 6 who, as part of their work in RE, have raised money through specific fundraising.

You may be aware that one of our pupils had a slight accident crossing the main road this week. Luckily he was not badly hurt. One thing we see as an ongoing urgent need is road safety. We are constantly talking to the children about it and some classes focussed on it during Friendship Week. Could I ask that parents also emphasise and put into practice the safest way to cross roads. Key things to cover include:

- Holding an adults hand (younger children)
- Not running across roads
- Looking to see if cars are coming (Green Cross Code)
- Using a crossing where possible

In our busy lives I know it can be difficult but it only takes one careless moment for something dreadful to happen.
