

# West Street Community Primary School

13<sup>th</sup> November 2017

**EQUALITY**

This week is Friendship Week and our main theme is equality. We launched the week this morning with a very UNEQUAL start to the day. Children and staff were either circles or triangles. Circles were treated very well receiving treats and opportunities whilst triangles were treated very unfairly:

not being able to sit down / not being able to vote / not being able to join in / made to go to the back / made to wait / triangle staff not being able to use our car park

**CHILDREN WERE HORRIFIED AT THE UNFAIRNESS!** Classes will now follow this theme during the term and will each study a famous person known for their work with human rights.

Year 1 & 2 will be finding out about Rosa Parkes

Year 3 will be finding out about Emeline Pankhurst

Year 4 will be finding out about Malala Yousafzai

Year 5 will be finding out about Nelson Mandela

Year 6 will be finding out about Martin Luther King
