Tim's Trips

As you may know I will be running trips every half term using our minibus "Tim". Children in KS2, who are on all green, will get the chance to take part. Our first trip took place last Saturday and 14 children spent the day exploring Bolton Abbey woods accompanied by Woof! We had a great day and several members of the general public commented on how well behaved and polite the group were.

OPEN AFTERNOON for pupils already at school.

Parents are invited to join us on Thursday 19th October 1.30-3.00. At 1.30pm I will be talking about the school's key priorities this year then parents can join their children who will show you their classroom, Reach for the Stars folders, reward and other systems in place.

OPEN DAY for children starting school September 2018

If you have a child or know of anyone with a child due to start school next September our open day is on Wednesday 25th October 9.30-11am/1.30-2.30pm/6-7pm. Please remember to complete online applications AS SOON AS POSSIBLE. We had several families disappointed this year as they didn't get a place here.

Harvest Assembly

Tuesday 17th Oct at 9.30am

Pauline Street, governor and Pastor from the New Life Christian Centre, will be leading our celebration. You are all welcome to join us. **Again we are asking children to donate food items and these should be brought into school Tuesday morning.** If I could ask that you check use by dates please. Last year we had a great display and the food was then distributed locally to Open Door by our Y6 children.

Please remember school is closed to pupils next Thursday & Friday for staff training days.

Up and coming dates:

- 17th Oct 9.30am Harvest Festival
